About Conference:

We are pleased to invite you to the **5th International Conference on Applied Science & Engineering (Applied Science 2024)** that will be taking place on **June 26-27, 2025** in **Amsterdam, Netherlands**.

The Applied Science 2025 will gather prominent global experts in this field including basic microbiology, chemistry, industrial, food science, environmental science, archaeology, polymer science, material science, electronics, energy, forensic science, nanotechnology and researchers. There will be very productive debates on various topics related to all fields in Science and Engineering, as well as a special focus on Basic Research, including the most important Research groups in the world.

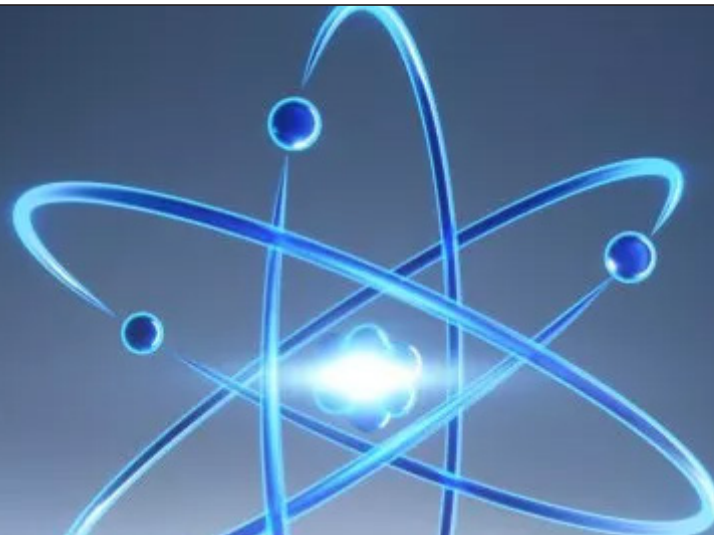

The Conference Board is fully committed to bringing the highest scientific and organizing levels to this event. We expect this meeting to be an excellent opportunity to exchange ideas, share knowledge, join friends, and build new friendships.

We are excited to hold a face-to-face meeting again and share our time and knowledge with all researchers all over the world, and we will do it safely. Live academic meetings are historically known to be the best method for medical professionals to gather and disseminate information, share new knowledge and set new evidence-based policies and guidelines.

- Professor
- Nanotechnology
- Deans/Vice Presidents
- Environmental Science
- Directors
- Food Science
- Chemistry
- Engineering technology

Professor and Researchers from Research Institutes, Universities, Companies, Industrial and Laboratories from Asia Pacific, America, Europe and the Middle East Zone

SCIENTIFIC SESSIONS

- Applied Chemistry
- Fundamental and Applied Sciences
- Computer Applications and Information Sciences
- Mechanical Engineering
- Civil Engineering
- Biotechnology & Biological Sciences
- Food Science
- Electrical, Electronics and Communications Engineering
- Robotics and Automation
- Aerospace Science and Engineering
- Marine Science and Engineering
- Energy Science and Technology
- Applied Physics
- Applied Thermal Engineering
- Materials Science and Engineering
- Chemical Engineering
- Molecular Sciences
- Applied Biosciences and Bioengineering
- Applied Nano sciences and Nanotechnology
- Biomedical Engineering
- Applied Microbiology
- Neurosciences
- Environmental Sciences
- Earth Sciences and Geography
- Nuclear Engineering
- Agricultural Engineering
- Polymer Engineering
- Biomaterial Engineering
- Structural Engineering
- Applied Biology
- Applied Health Science
- Applied Mechanics
- Applied Sciences
- Oil, Gas, Energy & Mining & Metallurgical Engineering
- Industrial Engineering
- Smart Material

GLIMPSES OF PAST EVENTS

Speakers Word

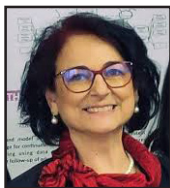

Andreea Mihaila, *Gheorghe Asachi Technical University, Romania*

I want to thank to the organizational committee and congratulate them for their approach to provide support for each participant starting from registration to the conference and up to the accommodation continues. I am glad that I could participate in this event, and I wish to participate again in the following years. Thank you very much for all it was a great experience.

Elena - Anca PARASCHIV, *National Institute for Research & Development in Informatics - ICI, Romania*

I am writing to express my sincere gratitude for the outstanding organization of the conference. The event was incredibly well-coordinated, and the diversity of presentations was both impressive and enriching.

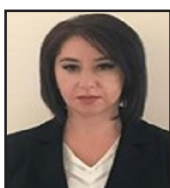

Lidia Bajenaru, *National Institute for Research & Development in Informatics - ICI, Romania*

Special thanks to the organizers for this incredible opportunity and to all the participants for their insightful discussions and contributions. Your efforts in bringing together such a diverse and talented group of individuals are deeply appreciated.

Benedito Tadeu de Oliveira, *Oswaldo Cruz Foundation- Fiocruz, Brazil*

The Conference was very well organized with varied papers covering different topics. I would like to participate in person in the next Conference.

Lusine Harutyunyan, *Armenian National Agrarian University, Armenia*

Congratulations on completing an interesting and well-organized scientific event. Hope to take part in upcoming conferences also.
