

European Conference & Expo on **Nutrition & Food Sciences**

October 21-22, 2021 | Rome, Italy

Conference Sessions:

All honorable authors, researchers, scientists and students are encouraged to contribute and help the shape of the Conference through submissions of their posters & research abstracts. Also, high quality research contributions describing Original and unpublished of conceptual, constructive, experimental or theoretical work in all areas of Nutrition & Food Sciences are warmly invited to exhibit their product at the conference.

- Clinical Nutrition
- Nutritional Supplements
- Nutrigenetics & Nutrigenomics
- Nutrition in Chronic Diseases
- Malnutrition
- Nutrition in Cancer Care
- Nutritional Biochemistry
- Nutritional Epidemiology
- Sports Nutrition
- Obesity and Weight Management
- Enteral and Parenteral Nutrition
- Nutrition in Developing Countries
- Nutritional Quality of Foods
- Food Science and Technology
- Food Chemistry
- Food Microbiology: Current Status
- Food Engineering
- Dairy Science
- Advanced Food Analysis

Important Dates:

Mid Date registration: March 30, 2020
On spot registration: October 26, 2020

Speaker Slots Available

NOTE: Program Schedule is subject to change with final allotment of the speaker slots

Day 01 | October 21, 2021

Registrations

Keynote Forum

Group Photo

Network & Refreshments Break

Sessions Clinical Nutrition | Nutritional Supplements | Nutrigenetics & Nutrigenomics

Lunch Break

Sessions Malnutrition | Nutrition in Cancer Care | Nutritional Biochemistry

Network & Refreshments Break

Sessions Sports Nutrition | Obesity and Weight Management | Enteral and Parenteral Nutrition

Day Concludes

Day 02 | October 22, 2021

Registrations

Sessions Nutrition in Developing Countries | Nutritional Quality of Foods | Food Science and Technology

Sessions Nutrition in Chronic Diseases | Food Chemistry | Food Microbiology: Current Status

Network & Refreshments Break

Sessions Nutritional Epidemiology | Food Engineering | Dairy Science

Lunch Break

Sessions Advanced Food Analysis | Probiotics & Prebiotics

Network & Refreshments Break

Poster Presentations

Day Concludes

Award Ceremony

Abstracts

Presentation Title: Bacteriophages for Healthier Foods: Safety by Nature
Alexander Sulakvelidze, Intralytix, USA

Presentation Title: Assessment of the role of Kaemferol in protecting pancreatic β -cells in a lipotoxic environment involving autophagy
Partha Roy, Indian Institute of Technology Roorkee, India

Group Photo

Presentation Title: Fortification of pear juice with vitamin D3-loaded polymer nanoparticles
Cristian Dima, "Dunarea de Jos" University of Galati, Romania

Presentation Title: Managing hyperphenylalaninemia through meticulous diet prescription- Case Study
M. Vaishali, Deenanath Mangeshkar Hospital, India

Presentation Title: Glycogen Storage Disorder Type III
Safala Mahadik, KEM Hospital, India

Presentation Title: Development of Chitosan Edible Film Incorporated with Musk Lime Extracts
Pui Liew Phing, UCSI University, Malaysia

Presentation Title: Comparison of blood vitamin D status between young adults of African-Caribbeans and Caucasians
Honglin Dong, Coventry University, UK

Presentation Title: Production of Spread from Groundnut and Cashewnut
Adegbanke Omolara Racheal, Federal University of Technology, Nigeria

Presentation Title: Process Optimization for Enzymatic Clarification of Indigenous Wild Watermelon (*Citrullus lanalus*) Juice
Moselo Maureen Mamabolo, University of South Africa, South Africa

Abstracts

-
- Presentation **Title: Complex B vitamins in physical exercise**
Inês Gaspar, FAO, Portugal
-
- Presentation **Title: Effect of omega-3 fatty acid supplementation on glycemic control, inflammation and erythrocyte fatty acid profile in Type 2 Diabetes Mellitus patients**
Hetal N Parekh, University of Mumbai, India
-
- Presentation **Title: 3D modeling of the cooking process with cellular automata**
H.Byari, ISHT Tamouda Bay, Morocco
-
- Presentation **Title: Quality of Berry Fruits' Powders Prepared Using an Innovative Method of Fluidised-Bed Jet Milling And Drying Versus Other Drying Methods**
Anna Sadowska, Warsaw University of Life Sciences, Poland
-
- Presentation **Title: Bichaga and Biodihydroquercetin Excellent Supplements in Oncology**
Gradimir Dimitrijevic, Institute for blood transfusion of Vojvodina, Serbia
-
- Presentation **Title: Method for Determination of Personalized Daily Energy Expenditure by Pulseometry**
Lavrinenko S.V., Federal State Budgetary Institution of Science, Russian Federation
-
- Presentation **Title: Understanding the Impact of Omega-3 Fatty Acids on the Gut Microbiota**
T R Caglar, University of Health Sciences, Turkey
-
- Presentation **Title: Parenteral Nutrition in Tin, Personalized Therapy and Pharmaceutical Savings**
Antonella Risoli, Hospital of Cosenza, Italy
-
- Presentation **Title: Behavior-Based Food Safety Training to Improve Knowledge Retention and Behaviors**
Robert Mancini, Roquette, Canada
-
- Presentation **Title: Obesity trends in school children of Madinah Al Munawwarah-A Cross-Sectional study**
Atta Ur Rehman Khan, Prince Muhammad Bin Abdulaziz Hospital, Saudi Arabia
-

Abstracts

Presentation Title: Hospital Malnutrition – An Experience from a state of the art National Guard Health Affairs Hospital in Al Madinah Al Munawarah, SAUDI ARABIA
Atta Ur Rehman Khan, Prince Muhammad Bin Abdulaziz Hospital, Saudi Arabia

Presentation Title: Therapeutic ketosis and the broad field of applications for the ketogenic diet: Ketone ester applications & clinical updates
Raffaele Pilla, Fatebenefratelli, Italy

Presentation Title: Use of traditional locally available foods in the dietary management of children with glycogen storage disease type I – A Case study
Anuja Agarwala, All India Institute of Medical Sciences, India

Presentation Title: Probiotics: Observation in practical medicine
Flavio Acquistapace, Gruppo di Studio Associazione Medico In, Switzerland

Presentation Title: Effect of Turmeric on Glycemic Status, Lipid Profile, Hs-Crp and Total Antioxidant Capacity in Hyperlipidemic Type 2 Diabetes Mellitus Patients
Shahryar Eghtesadi, Azad University, Iran

Presentation Title: Evaluation of oxidative stress and chronic inflammation during vascular injury: nutraceutical potential of palmitoylethanolamide/rutin administration
Roberta Fusco, University of Messina, Italy

Presentation Title: A new formulation of Palmitoylethanolamide (PEA), an endogenous lipid commonly present in diet, in the treatment of Diabetic Peripheral Neuropathy in mice
Alessio Filippo Peritore, University of Messina, Italy

Presentation Title: Impact of diet on weight reduction and leptin level hormones in females in the reproductive age group of 20-50 years
Neha Dua, Foods and Nutrition practicing dietitian, University of Rajasthan, India

Abstracts

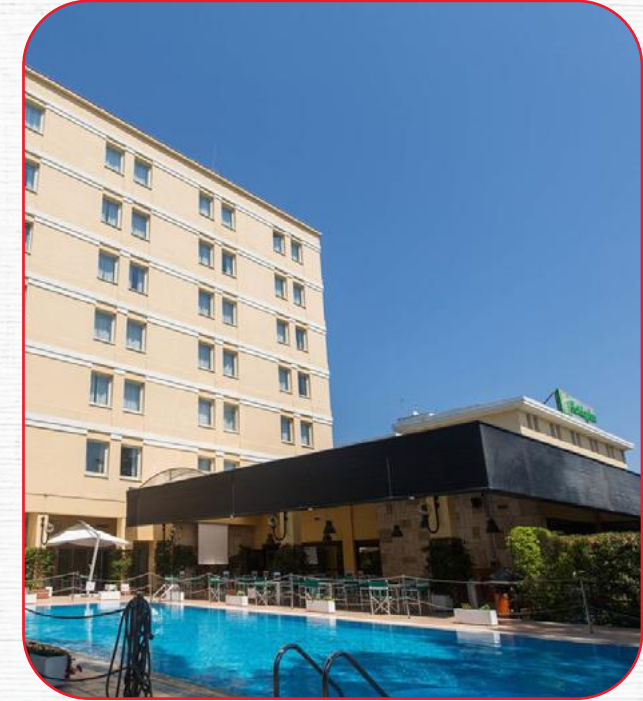

-
- Presentation Title: The antioxidant and anti-inflammatory properties of "Anacardium occidentale L." cashew nuts in a mouse model of colitis
Daniela Impellizzeri, University of Messina, Italy
-
- Presentation Title: Effect of Turmeric on Glycemic Status, Lipid Profile, Hs-Crp and Total Antioxidant Capacity in Hyperlipidemic Type 2 Diabetes Mellitus Patients
Shahryar Eghtesadi, Azad University, Iran
-
- Presentation Title : Neurohealth Properties of Hericium erinaceus and Moringa oleifera: protection against Alzheimer's Disease
Rosanna Di Paola, University of Messina, Italy
-
- Presentation Title: Germination induced changes in the amino acid profile including gamma amino butyric acid (GABA) content of rice
G V V Liyanaarachchi, Industrial Technology Institute, Sri Lanka
-
- Presentation Title: Melatonin Plus Folic Acid Treatment Ameliorates Reserpine-Induced Fibromyalgia: Evaluation of Pain, Oxidative Stress and Inflammation
Tiziana Genovese, University of Messina, Italy
-

City Attractions

Venue - Holiday Inn Rome Aurelia
S.S. 1 – Via Aurelia Km 8,400 00165 Roma Italy

Rome is the capital city of Italy and it also serves as the capital of the Lazio region. The culture, architecture and the historical places of Rome make it a global influential city. Science and technology in Italy have a long presence, from the Roman era which made us think of Rome, Italy as the conference venue. Italy has advanced scientific research by their inventions and discoveries in life sciences and technology. Apart from being an advanced city Rome has many historical and ancient places to visit such as Colosseum, Roman Forum, Pantheon, Catacombs and the Museums of the Vatican City.
