

3<sup>rd</sup> International Conference on

# PAIN RESEARCH & MANAGEMENT

Hotel Isola Sacra Rome Airport, Rome Italy

# November 14, 2022 | Day 1

**Meeting Hall: Guglielmi**

**Keynote Presentations**

**Registrations 09:00-09:40**

**Introduction 09:40-10:00**

**10:00-10:45**

**Title: Integrating Clinical Hypnosis and Biofeedback in Pain Management**

**Eric K. Willmarth**, Saybrook University, USA

## **Oral Presentations**

**10:45-11:15**

**Title: Early Intervention Proposal Assisting Special Needs Children and Empowering Families**

**Ashraf Abd ElGafar Saad**, Seton Hall University, USA

**Group Photo (11:15-11:30)**

**Refreshments @ Foyer (11:30-12:00)**

**Session Chair: Eric K. Willmarth**, Saybrook University, USA

**Session Co Chair: Marie Carney**, RCSI University of Medicine, Dublin. Ireland

Sessions

Current Approaches to Pain Management | Pediatric Pain Management | Pain Management and Rehabilitation | Pain Management Nursing | Orofacial Pain | Pain Assessment Tools | Interventional Pain Management | Non-Pharmacological Approaches for Pain | Pain Control Techniques | NSAIDs and Analgesics | Clinical Manifestations & Epidemiology of Pain | Non-Pharmacological Approaches for Pain | Neuropathic Pain & Neuro Orthopaedic | Cancer Pain Management | Chronic Pain Management

## **Oral Presentations**

**12:00-12:30**

**Title: Reducing Opioid Use After Hospital Discharge**

**Kimberley Haynes-Henson**, University of Nebraska Medical Center, United States

**12:30-13:00**

**Title: Implementation of a Pain Free Hospital Concept in Slovak Hospitals**

**Peter Stachura**, Agel Group, Slovakia

**13:00-13:30**

**Title: Pain Management in Elderly with Dementia**

**Norah AL Qarni**, King Fahad Armed Forces Hospital Jeddah, Saudi Arabia

**Lunch @ Foyer IT Italian Restaurant(13:30-14:30)**

**14:30-15:00**

**Title: Advanced Nurse Practitioner's Role in Pain Management: An Integrative Literature with Application to Practice**

**Marie Carney**, RCSI University of Medicine, Ireland

**15:00-15:30**

**Title: Pain Experienced During Various Dental Procedures: Clinical Trial Comparing the Use of Traditional Syringes with the Controlled-Flow Delivery Dentapen® Technique**

**Erick Fernández Castellano**, European University of Madrid, Spain

**15:30-16:00**

**Title: Bioresonance Therapy in Neurological Rehabilitation of Patients with Cervical Dorsopathy(CD)**

**Lyudmila Sharova**, Perm State Humanitarian Pedagogical University, Russia

**Refreshments @ Foyer (16:00-16:30)**

**16:30-17:00**

**Title: Improving Analgesia and Care of Patients with Rib Injuries in the Emergency**

**Claudio Dalla Vecchia**, Royal College of Emergency Medicine, Ireland

**17:00-18:00**

**Title: Physical Chronic Pain Social Pain E Self-Esteem. Contributions of Physical Education in the Treatment of Children with Degenerative Diseases**

**Elvio Marcos Boato**, Catholic University of Brasilia, Brazil

## **Video Presentations**

**18:00-18:30**

**Title: Using Expressive Arts Exercises to Promote Self-Care among Pain Patients and Their Caregivers: An Experiential Overview**

**Juliana Fort**, LSU Health Shreveport, USA

**Day 1 Concludes**

**November 15, 2022 | Day 2**

**Meeting Hall: Guglielmi**

**Keynote Presentations**

**10:00-10:45** **Title: Is Multi-Opioid use Beneficial for our Patients?**  
**Michaela Bercovitch**, Sheba Medical Centre, Israel

**Oral Presentations**

**10:45-11:15** **Title: How is COVID Changing the Ways Doctors Make End-of-Life Decisions?**  
**Benjamin Chang**, St Mary's University Twickenham, UK

**Networking and Refreshments @ Foyer (11:15-11:45)**

**Session Chair: Eric K. Willmarth**, Saybrook University, USA

**Session Co- Chair: Marie Carney**, RCSI University of Medicine, Dublin. Ireland

Sessions: Current Approaches to Pain Management | Pediatric Pain Management | Pain Management and Rehabilitation | Pain Management Nursing | Orofacial Pain | Pain Assessment Tools | Interventional Pain Management | Non-Pharmacological Approaches for Pain | Pain Control Techniques | NSAIDs and Analgesics | Clinical Manifestations & Epidemiology of Pain | Non-Pharmacological Approaches for Pain | Neuro-pathic Pain & Neuro Orthopaedic | Cancer Pain Management | Chronic Pain Management

**Oral Presentations**

**11:45-12:15** **Title: Combined Spinal-Epidural (CSE) Technique Plus Ketamine in Research Laparotomies with Vertical Incision: Case Report**  
**Maria I Dalamagka**, General Hospital of Larisa, Greece

**12:15-12:45** **Title: Therapeutic Effectiveness of AxioBionics Wearable Therapy Pain Management System in Patients with Chronic Lower Back Pain**  
**Philip Muccio**, AxioBionics LLC, USA

**Lunch @ Foyer IT Italian Restauant (12:45-13:45)**

**Poster Presentations**

**PRM-P 01** **Title: Ultrasound-Guided Erector Spinae Plane Block, Postoperative Pain Assessment in Oncological Breast Surgery**  
**Widade KOUACHI**, University Hospital Algiers, Algeria

**PRM-P 02** **Title: Diagnosis and Treatment of Inguinal Hernias After Surgical Treatment of Prostate Cancer, Current State of the Problem**  
**Zhenghao Wu**, First Moscow State Medical University, Russia

**Day 2 Concludes**

**Panel Discussion - Awards & Closing Ceremony followed by Vote of Thanks**

## Virtual Presentations

November 15, 2022 | 11:00 GMT

**11:00-11:15** Opening Ceremony and Introduction
